

Univize Test Case Suite

Comprehensive functional, non-functional & API testing documentation

PROJECT

UNIVIZE System

TOTAL TEST CASES

71

TEST SCENARIOS

15 Sheets

PREPARED BY

Tharushi Gandarawaththa

TEST COVERAGE

001	Login & Registration	6	002	Settings	4	003	Feed	6
004	User Profile	7	005	Discover	4	006	Create Post	7
007	Admin Panel	6	008	Chats / Messages	8	009	Security	2
010	Notifications	4	011	Discussion Forum	4	012	Role-Based Access	3
013	Responsiveness	2	014	Performance	3	015	API / Postman	5

001 · Login & Registration

Test Cases: [TC_LR_001](#) → [TC_LR_006](#) · 6 cases

Reviewed By: **Aruna Sampath**
Reviewed Date: **29.05.2026**

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 15.05.2026		SCENARIO Login & Registration		PRIORITY FOCUS Critical · High			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_LR_001	Verify user login with valid credentials	Registered user exists	1. Open login page 2. Enter credentials 3. Click login	Valid email and password	User logged in successfully	User logged in successfully	—	Critical	High	Tharushi	—
TC_LR_002	Verify login with invalid password	Registered user exists	Enter invalid password	Invalid password	Error message displayed	Error message displayed	—	High	High	Tharushi	Negative test
TC_LR_003	Verify empty login form validation	Login page open	Click login without entering data	Empty fields	Validation messages displayed	Validation messages displayed	—	Medium	High	Tharushi	—
TC_LR_004	Verify user registration functionality	Registration page open	1. Fill registration form 2. Submit	Valid user data	User account created	User account created	—	Critical	High	Tharushi	—
TC_LR_005	Verify duplicate email registration	Existing account exists	Register with existing email	Existing email	Error message displayed	Error message displayed	—	High	High	Tharushi	—
TC_LR_006	Verify password masking	Login page open	Enter password	Password	Password hidden with dots/asterisks	Password hidden with dots/asterisks	—	Low	Medium	Tharushi	UI test

002 · Settings

Test Cases: TC_SET_001 → TC_SET_004 · 4 cases

Reviewed Date: Pending
Reviewed By: —

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 12.06.2026	SCENARIO Settings	PRIORITY FOCUS Navigation
---------------------------	---------------------------------------	----------------------------	----------------------	------------------------------

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_SET_001	Verify settings page loads correctly	User logged in	Navigate to settings	N/A	Settings page displayed successfully	Succeeded	—	High	High	Tharushi	—
TC_SET_002	Verify Help Center navigation	User logged in, in settings page	Click Help Center	N/A	Help center opens	Succeeded	—	Low	Low	Tharushi	—
TC_SET_003	Verify Account Info navigation	User logged in, in settings page	Click Account information	N/A	Account Information section opens	Succeeded	—	Low	Low	Tharushi	—
TC_SET_004	Verify Privacy & security settings navigation	User logged in, in settings page	Click Privacy and Security	N/A	Privacy and security section opens	Succeeded	—	Low	Low	Tharushi	—

003 · Feed

Test Cases: [TC_FD_001](#) → [TC_FD_006](#) · 6 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 12.06.2026		SCENARIO Feed		PRIORITY FOCUS Core UX			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_FD_001	Verify user can access feed page after login	User logged into system	1. Login 2. Navigate to home feed	Valid credentials	Feed page loads successfully	Succeeded	—	Medium	High	Tharushi	—
TC_FD_002	Verify stories section displays correctly	User logged in	Open feed page	Existing stories	Story avatars displayed horizontally	Displayed	—	Low	Medium	Tharushi	—
TC_FD_003	Verify user can view posts in feed	Feed contains posts	Open feed	Posts available	Posts displayed with username, image, caption	Displayed	—	High	High	Tharushi	—
TC_FD_004	Verify like button functionality	User logged in	Click like icon on post	Post data	Post gets liked successfully	Liked	—	Medium	High	Tharushi	—
TC_FD_005	Verify comment button opens comments section	Feed available	Click comment icon	Post data	Comments section opens	Opened	—	Medium	Medium	Tharushi	—
TC_FD_006	Verify user can comment and submit	Comments section opened	Write a comment and click send button	Text Content	Comment submitted	Succeeded	—	Medium	Medium	Tharushi	—

004 · User Profile

Test Cases: TC_PRO_001 → TC_PRO_007 · 7 cases

Reviewed Date: Pending

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 30.06.2026		SCENARIO User Profile		PRIORITY FOCUS Profile CRUD			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_PRO_001	Verify profile page loads successfully	User logged in	Navigate to profile	Valid user	Profile page displayed	Displayed	—	High	High	Tharushi	—
TC_PRO_002	Verify Edit Profile button functionality	User logged in	Click Edit Profile	N/A	Edit profile form opens	Opened	—	Medium	High	Tharushi	—
TC_PRO_003	Verify profile picture upload functionality	User logged in	1. Edit profile 2. Click profile image edit 3. Upload image	JPG/PNG image	Profile image updated	Updated	—	Medium	High	Tharushi	—
TC_PRO_004	Verify follower count displays correctly	User has followers	Open profile	Existing followers	Correct follower count shown	Shown	—	Low	Medium	Tharushi	—
TC_PRO_005	Verify following count displays correctly	User follows others	Open profile	Existing following	Correct following count shown	Shown	—	Low	Medium	Tharushi	—
TC_PRO_006	Verify post count updates correctly	User has posts	Open profile	Existing posts	Correct post count displayed	Displayed	—	Medium	Medium	Tharushi	—
TC_PRO_007	Verify grid posts display correctly	User has posts	Open profile	Existing posts	Posts shown in grid layout	Shown	—	Medium	Medium	Tharushi	—

005 • Discover

Test Cases: TC_SRC_001 → TC_SRC_004 · 4 cases

Reviewed Date: Pending

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 30.06.2026	SCENARIO Discover / Search	PRIORITY FOCUS Search Accuracy
---------------------------	---------------------------------------	----------------------------	-------------------------------	-----------------------------------

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_SRC_001	Verify search bar accepts input	Search page open	1. Click search bar 2. Enter keyword	User name	Search input accepted	Displayed Correctly	—	Low	Medium	Tharushi	—
TC_SRC_002	Verify user search results	Existing users available	Search for user	Username	Matching users displayed	Displayed Correctly	—	Medium	High	Tharushi	—
TC_SRC_003	Verify post search results	Existing posts available	Search post keyword	Post keyword	Relevant posts displayed	Displayed Correctly	—	Medium	High	Tharushi	—
TC_SRC_004	Verify no results message	Search page open	Search invalid keyword	Random text	No results message shown	Displayed Correctly	—	Low	Medium	Tharushi	Negative test

006 · Create Post

Test Cases: [TC_PST_001](#) → [TC_PST_007](#) · 7 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 30.06.2026		SCENARIO Create Post		PRIORITY FOCUS Upload & Validation			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_PST_001	Verify user can create text post	User logged in	1. Open create post 2. Enter text 3. Submit	Text content	Post published successfully	Published	—	High	High	Tharushi	—
TC_PST_002	Verify image upload in post	User logged in	Upload image with post	JPG/PNG image	Image uploaded successfully	Succeeded	—	High	High	Tharushi	—
TC_PST_003	Verify empty post restriction	Create post page open	Submit empty post	Empty content	Validation error displayed	Displayed	—	Medium	High	Tharushi	Negative test
TC_PST_004	Verify multiple image upload	User logged in	Upload multiple images	Multiple images	Images uploaded correctly	Uploaded	—	Medium	Medium	Tharushi	—
TC_PST_005	Verify unsupported file upload restriction	User logged in	Upload unsupported file	EXE file	Upload blocked with error	Blocked	—	High	High	Tharushi	Security test
TC_PST_006	Verify user can tag people to a post	Create post page open	Tag a person	Profile Name	Person tagged successfully	Successful	—	High	High	Tharushi	—
TC_PST_007	Verify user can add location in the post	Create post page open	Add location	Location	Location added correctly	Successful	—	High	High	Tharushi	—

007 · Super Admin Dashboard

Test Cases: [TC_SAD_001](#) → [TC_SAD_006](#) · 6 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 07.03.2026	SCENARIO Super Admin Dashboard	PRIORITY FOCUS Admin Modules
---------------------------	---------------------------------------	----------------------------	-----------------------------------	---------------------------------

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_SAD_001	Verify Super Admin Dashboard	Super Admin is logged in	1. Login as Super Admin 2. Navigate to Dashboard 3. Verify stats & quick action cards	Valid Super Admin credentials	Dashboard loads with accurate statistics and navigation options	Dashboard loaded successfully with correct information	—	Medium	High	Tester	Functionality works as expected
TC_SAD_002	Verify User Management Module	Super Admin is logged in	1. Open User Management 2. View user list 3. Search for a user	Existing user record	User list displayed correctly and search works	User records displayed and search returned expected results	—	High	High	Tester	No issues found
TC_SAD_003	Verify Content Management Module	Super Admin is logged in	1. Open Content Management 2. View posts/content 3. Perform moderation if applicable	Existing content records	Content displayed correctly; moderation actions execute	Content displayed correctly and actions completed	—	High	High	Tester	Module functioning correctly
TC_SAD_004	Verify Reports Management Module	Super Admin is logged in	1. Open Reports module 2. View reported items 3. Review report details	Existing reported content	Reports displayed with complete information	Reports displayed correctly with all relevant details	—	Medium	Medium	Tester	Report viewing works correctly
TC_SAD_005	Verify Conversation Monitoring Module	Super Admin is logged in	1. Open Conversation Monitoring 2. Select a conversation 3. Review details	Existing conversation records	Conversations displayed correctly for monitoring	Conversation details displayed successfully	—	Medium	Medium	Tester	No defects observed
TC_SAD_006	Verify Event Logs Module	Super Admin is logged in	1. Open Event Logs 2. View recent system events 3. Verify event details	Existing system log records	Event logs displayed accurately with timestamps	Event logs displayed correctly	—	Low	Medium	Tester	Logging works as expected

008 · Chats / Messages

Test Cases: TC_MSG_001 → TC_MSG_008 · 8 cases

Reviewed Date: Pending

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 12.06.2025	SCENARIO Chats / Messages	PRIORITY FOCUS Real-time Messaging
---------------------------	---------------------------------------	----------------------------	------------------------------	---------------------------------------

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_MSG_001	Verify messages page loads successfully	User logged in	Open messages page	N/A	Messages page displayed successfully	Displayed	—	High	High	Tharushi	—
TC_MSG_002	Verify user can send text message	Two users available	1. Open chat 2. Type message 3. Send	Text message	Message sent successfully	Successful	—	Critical	High	Tharushi	—
TC_MSG_003	Verify received messages display correctly	Two users available	Receive message	Incoming message	Message displayed instantly	Successful	—	High	High	Tharushi	Real-time test
TC_MSG_004	Verify empty message restriction	Chat opened	Click send without typing	Empty message	Empty message not sent	Successful	—	Medium	Medium	Tharushi	Negative test
TC_MSG_005	Verify chat scrolling functionality	Chat contains many messages	Scroll chat	N/A	Older messages loaded correctly	Successful	—	Low	Medium	Tharushi	—
TC_MSG_006	Verify online status indicator	Users online	Open chat	N/A	Online status displayed correctly	Successful	—	Low	Low	Tharushi	—
TC_MSG_007	Verify message timestamp visibility	Messages available	Open conversation	N/A	Message timestamps displayed correctly	Successful	—	Low	Low	Tharushi	—
TC_MSG_008	Verify unread message notification	Unread message exists	Receive new message	N/A	Unread indicator displayed	Successful	—	Medium	High	Tharushi	—

009 · Security

Test Cases: [TC_SCRT_001](#) → [TC_SCRT_002](#) · 2 cases

Reviewed Date: **Pending**
Critical Coverage Area

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 30.06.2026		SCENARIO Security		PRIORITY FOCUS Injection Prevention			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_SCRT_001	Verify SQL injection prevention	Login form open	Enter SQL injection script	OR '1'='1	System rejects malicious input	Executed well	—	Critical	High	Tharushi	Security testing
TC_SCRT_002	Verify XSS attack prevention	Input field available	Enter script tag	<script>alert('x')</script>	Script not executed	Executed well	—	Critical	High	Tharushi	Security testing

010 · Notifications

Test Cases: [TC_NTF_001](#) → [TC_NTF_004](#) · 4 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 30.06.2026	SCENARIO Notifications	PRIORITY FOCUS Event Triggering
----------------------------------	--	-----------------------------------	----------------------------------	---

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_NTF_001	Verify notifications page loads	User logged in	Open notifications	N/A	Notifications displayed successfully	Succeed	—	Medium	High	Tharushi	—
TC_NTF_002	Verify like notification generation	Post available	Another user likes post	Like action	Notification generated correctly	Succeed	—	Medium	High	Tharushi	—
TC_NTF_003	Verify follow notification generation	Users available	User follows another user	Follow action	Follow notification displayed	Displayed	—	Medium	Medium	Tharushi	—
TC_NTF_004	Verify notification click navigation	Notification exists	Click notification	N/A	Relevant page opens	Displayed	—	Medium	Medium	Tharushi	—

011 · Discussion Forum

Test Cases: [TC_FRM_001](#) → [TC_FRM_004](#) · 4 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 12.06.2026	SCENARIO Discussion Forum	PRIORITY FOCUS Threaded Discussions
----------------------------------	--	-----------------------------------	-------------------------------------	---

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_FRM_001	Verify discussion forum page loads	User logged in	Open forum	N/A	Discussion forum displayed successfully	Succeeded	—	Medium	High	Tharushi	—
TC_FRM_002	Verify user can create discussion topic	Forum available	1. Create new discussion 2. Submit	Discussion content	Discussion created successfully	Succeeded	—	High	High	Tharushi	—
TC_FRM_003	Verify threaded replies functionality	Discussion exists	Reply to topic	Reply text	Reply displayed correctly	Succeeded	—	Medium	Medium	Tharushi	—
TC_FRM_004	Verify discussion search functionality	Forum contains topics	Search discussion	Keyword	Relevant discussions displayed	Succeeded	—	Medium	Medium	Tharushi	—

012 · Role-Based Access

Test Cases: [TC_ROLE_001](#) → [TC_ROLE_003](#) · 3 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System		CREATED BY Tharushi Gandarawaththa		CREATED DATE 30.06.2026		SCENARIO Role-Based Access		PRIORITY FOCUS Access Control			
TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_ROLE_001	Verify student role permissions	Student account exists	Login as student	Student credentials	Student features accessible	Accessible	—	High	High	Tharushi	—
TC_ROLE_002	Verify staff permissions	Staff exists	Login as staff	Staff credentials	Academic features accessible	Accessible	—	High	High	Tharushi	—
TC_ROLE_003	Verify unauthorized access prevention	Regular user logged in	Attempt restricted action	N/A	Access denied correctly	Access denied	—	Critical	High	Tharushi	Security test

013 · Responsiveness Testing

Test Cases: [TC_RESP_001](#) → [TC_RESP_002](#) · 2 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 15.05.2026	SCENARIO Responsiveness	PRIORITY FOCUS Cross-device Layout
----------------------------------	--	-----------------------------------	-----------------------------------	--

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_RESP_001	Verify mobile responsiveness on login page	Application opened on mobile	Open login page	Mobile device	Layout responsive correctly	Layout responsive correctly	—	High	High	Tharushi	—
TC_RESP_002	Verify desktop responsiveness	Application opened on desktop	Resize browser window	Desktop browser	Layout remains stable	Layout remains stable	—	Medium	Medium	Tharushi	—

014 · Performance Testing

Test Cases: [TC_PERF_001](#) → [TC_PERF_003](#) · 3 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 30.06.2026	SCENARIO Performance	PRIORITY FOCUS Load & Stability
----------------------------------	--	-----------------------------------	--------------------------------	---

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_PERF_001	Verify feed loading performance	Feed contains posts	Open feed	N/A	Feed loads within acceptable time	Loads	—	High	High	Tharushi	Performance test
TC_PERF_002	Verify search performance under load	Large data exists	Perform search	Keyword	Results displayed quickly	Displayed	—	Medium	Medium	Tharushi	—
TC_PERF_003	Verify application stability during multiple requests	System active	Perform repeated actions	Multiple requests	System remains stable	Stable	—	High	Medium	Tharushi	Stress test

015 · API / Postman Testing

Test Cases: [TC_API_001](#) → [TC_API_005](#) · 5 cases

Reviewed Date: **Pending**

PROJECT UNIVIZE System	CREATED BY Tharushi Gandarawaththa	CREATED DATE 30.06.2026	SCENARIO API / Postman	PRIORITY FOCUS Endpoint Verification
----------------------------------	--	-----------------------------------	----------------------------------	--

POSTMAN WORKSPACE https://trushiii-612016.postman.co/workspace/c8a2c124-10d6-4764-8764-3a5ec4883b4d

TC ID	TEST DESCRIPTION	PREREQUISITE	TEST STEPS	INPUT DATA	EXPECTED RESULT	ACTUAL RESULT	STATUS	SEVERITY	PRIORITY	EXECUTED BY	COMMENTS
TC_API_001	Verify login API response	Backend running	Send login request via Postman	Valid credentials	API returns success response	Success	—	Critical	High	Tharushi	Postman test
TC_API_002	Verify invalid login API response	Backend running	Send invalid login request	Invalid credentials	API returns error response	Success	—	High	High	Tharushi	—
TC_API_003	Verify create post API	Backend running	Send create post request	Post content	Post created successfully	Success	—	Critical	High	Tharushi	—
TC_API_004	Verify get posts API	Backend running	Send fetch posts request	N/A	Posts retrieved successfully	Success	—	High	High	Tharushi	—
TC_API_005	Verify unauthorized API access restriction	Backend running	Send request without token	N/A	Unauthorized error returned	Success	—	Critical	High	Tharushi	Security API test
